Dear Ted & Bev

Received your letter of the 26th of February and want to thank you for all the information about the family.

I have made copies of everything I have most of which I got from Eva Chingal except for the picture of Grandpa Adolph and family. Eva has a large copy of the picture of Grandpa Joseph if you talk to her with the copiers they have now you could make a much better copy.

I agree that it would be great if you could get a list of births. I am surprised that the marriage date was easier to get unless it was the church that keeps it.

Thanks for the information on you and Ted and the family. I am enclosing the info on Bonnie and me.

I can make out most of everything you sent but am not sure who the following are.

1. M. Edmond Gresiev - ^{grandmother} Brother of Elmie ^{brother}

2. DAMAS Lefebvre - ^{grandfather} Brother of Joseph + Adolfe

3. Léopold Laphante ? ^{son of Edmond Laphante} ^{son} ^{Lefebvre's} ^{cousin}

(2)

I have also made copies of everything I am sending you for Lee and Loraine. If you haven't sent Loraine copies of what you have I could imagine she would appreciate it.

If you can fill in some of the blanks on the forms I have made for you send me the information also and I will update mine.

If I can ever get the information from Lee I can update the information on him. When Bummie calls Loraine I am going to check with her.

Thanks again for all the info.

Joe
